Citation, commencement and interpretation

1.—(1) These Regulations may be cited as the Electricity and Gas (Standards of Performance) (Suppliers) (Amendment) Regulations 2020 and come into force on 1st May 2020.

(2) In these Regulations, “the Principal Regulations” means the Electricity and Gas (Standards of Performance) (Suppliers) Regulations 2015(a).

Amendment of the Principal Regulations

2. In regulation 2(1) (General interpretation) of the Principal Regulations—

- (a) in the definition of “new supplier”(b), before “responsibility” insert “, or will have,”;
- (b) after the definition of “old supplier” insert—

““prepayment meter” means any meter operating in a mode that requires a customer to pay for the consumption of gas or electricity through that meter in advance of that consumption;”

- (c) after the definition of “supplier” insert—

““supplier transfer” means in relation to any domestic premises at which a supplier is supplying gas or electricity, the transfer of responsibility for the supply of gas or electricity to a new supplier;”.

3. In regulation 4 (Faulty meters) of the Principal Regulations, in paragraph (6), omit the definition of “prepayment meter” and the preceding “; and”.

4. In regulation 5 (Faulty prepayment meters) of the Principal Regulations, in paragraph (7), omit ““prepayment meter” has the meaning given in regulation 4(6);”.

5. After regulation 6 (Reconnection) of the Principal Regulations insert—

“Obligation to complete a supplier transfer

6ZA.—(1) This regulation applies where a customer requests a supplier transfer.

(2) This regulation does not apply where the supplier transfer cannot be completed because—

- (a) the customer notifies the new supplier that they do not wish the supplier transfer to take place;
- (b) a previous supplier transfer is being processed in relation to the same meter point; or
- (c) the customer’s current supplier objects to the supplier transfer.

(3) Where this regulation applies the new supplier must complete the supplier transfer—

- (a) within the period of 15 working days beginning with the day of receipt by the new supplier of sufficient information to—
 - (i) confirm the supplier transfer relates to the customer who requested it, and
 - (ii) identify the meter point or meter points to which the supplier transfer request relates;
- (b) where the customer has requested a supplier transfer takes places on a date after the end of the period referred to in sub-paragraph (a), on the date requested; or
- (c) where the customer has existing debt on a prepayment meter and the new supplier agrees to be assigned that debt, within the period of 15 working days beginning with the day of that assignment being agreed between the old and new supplier, but

(a) S.I. 2015/1544 as amended by S.I. 2019/218.

(b) Definition of ‘new supplier’ was inserted by regulation 2(2) of S.I. 2019/218.

no later than 32 working days from receipt by the new supplier of the information in sub-paragraph (a)(i) and (ii).

Avoidance of erroneous transfers

6ZB.—(1) This regulation applies where a new supplier proposes to complete a supplier transfer.

(2) This regulation does not apply where a customer is transferred to a supplier appointed by the Authority following a last resort supply direction being given within 21 working days of an agreement reached in accordance with regulation 6C(1)(b).

(3) Where this regulation applies the new supplier must only complete a supplier transfer where there is a valid contract with the customer who is subject to the supplier transfer.

(4) For the purposes of this regulation, failure to meet the standard of performance in paragraph (3) is determined when the old supplier and the new supplier have agreed that the customer has been transferred without a valid contract.”

6. After regulation 6C(a) (Resolution of erroneous transfers) of the Principal Regulations insert—

“Provision of a final bill

6CA.—(1) This regulation applies where a supplier no longer has responsibility for the supply of electricity or gas to the customer where—

- (a) a customer transfers to another supplier under a valid contract; or
- (b) a supplier’s responsibility for the supply of electricity or gas to the customer has otherwise terminated.

(2) This regulation does not apply where responsibility for the supply of electricity or gas to a customer transfers from one supplier to another supplier without a valid contract.

(3) Where this regulation applies in circumstances where a customer transfers to another supplier under a valid contract, the old supplier must within 6 weeks of the supplier no longer having responsibility for the supply of electricity or gas, issue the customer’s final bill.

(4) Where this regulation applies in circumstances where a supplier’s responsibility for the supply of electricity or gas to the customer has otherwise terminated, that supplier must issue the customer’s final bill within 6 weeks of the later of the date on which—

- (a) the supplier no longer has responsibility for the supply of electricity or gas; or
- (b) the supplier is notified of no longer having responsibility for the supply of electricity or gas”.

7. In regulation 9 (Exemptions and limitations to supplier payment obligations) of the Principal Regulations, after paragraph (7A)(b) insert—

“(7AA) A supplier is not obliged to make a standard payment following failure to meet the individual standard of performance under regulation 6ZB, where—

- (a) a customer has withdrawn a request for a supplier transfer after the supplier transfer has completed —
 - (i) in accordance with any term in the contract between the new supplier and the customer, or
 - (ii) by virtue of any enactment, or

(a) Regulation 6C was inserted by SI 2019/218.

(b) Regulation 9(7A) was inserted by SI 2019/218.

obligation to complete a supplier transfer (regulation 6ZA), avoidance of erroneous transfer (regulation 6ZB) and provision of a final bill (regulation 6CA).

Regulation 7 inserts provisions into regulation 9 of the Principal Regulations, in respect of exemptions and limitations to supplier payment obligations for failure to meet the new performance standards.
